EDITOR'S CORNER

Barking V Tring Athletic

Good evening everyone, and welcome to Lawtech Stadium for this FA Cup Extra Preliminary Round Replay against Tring Athletic!

This match comes about thanks to a last-minute penalty from Gregory Deer as the sides drew 1-1 at the Michael Anthony Stadium. Sam Edwards have opened the scoring and his account for Barking with a wonderful free kick. A full report can be found on page 4. Tonight's programme also contains an extensive history of Tring Athletic, as well as a report from our fixture last Tuesday, during which the roles were reversed and we scored a late equaliser thanks to Izzy Bademosi. If tonight's fixture is also a draw – we will go to extra time, and if that doesn't bring a winner, there will be a penalty shootout.

We would also like to wish all fans and players of Tring Athletic as well as the officials and any neutrals a safe journey home from Lawtech Stadium tonight.

Come on you Blues!

TRING ATHLETIC 1-1 BARKING FC

Saturday 3 August 2024 – FA Cup Extra Preliminary Tie – Report by Trevor Gilbert

Barking looked to be heading for the FA Cup Preliminary Round, but a late Gregory Deer penalty ensured a replay after a moment of magic from Sam Edwards in what was otherwise a fairly average game of football between two equal teams.

The ten-minute mark saw the first chance of any note as Chris John headed wide from Sam Edwards' corner and the Yellows went close once again after 18 minutes: this time Izzy Bademosi latched onto a through ball from Marcel McDonald, Izzy drove into the right wing of the box before cutting back and he saw his curling effort just creep wide of the post. The game became even more scrappy, a warm but not hot day, on a pitch with slopes and curves and that also contained its fair number of hidden bobbles. It took 20 minutes for another chance, which went to Tring, deserved with their levels of pressure but a shot across goal by Benjamin Kakembo went wide of the goal and also just past the advancing Tring forward at the far post.

It was a similar story at the start of the second half but Tring seemed to be the more threatening, firstly on five minutes a cutback from the right wing found an unmarked Tring attacker but his powerful effort just cleared the crossbar before Kakembo did the same minutes later. Just before the hour mark saw Barking take the lead, a clumsy foul on Jerold Cobblah gave the Yellows a free kick 25 yards from goal – Tring lined up a three man wall, simply offering the shot to **Sam Edwards** – he dutifully obliged, once the ball was past the wall there was only one place it was ending up as it flew past Luke Midwinter and smacked the net to give Barking the lead.

Tring did continue to push – albeit scrappily and had the next chance after 72 minutes but a far post header from a corner was always going over the bar. They left space at the back however, and substitute Nelly Martins managed to set two different players through on goal in the matter of two minutes but neither could double Barking's lead – first he played Marcel McDonald through on goal, he advanced comfortably into the box before holding the ball up and winding his foot back to shoot – he just wound slightly too far and his effort smacked against the crossbar. Neither Tring nor Barking learnt their lesson a moment later, this time Martins set fellow substitute Kye Mitchell through on goal, he went for a side footed shot but it was palmed away by Midwinter – with the onrushing Greenslade just unable to reach the ball in time to get a decent angle on goal. Barking were made to pay for these misses, Tring had possession but didn't test Max Spence in the Barking goal, but in the fourth minute of injury time, the ball pinged around the box before striking the outstretched arm of Chris John – there was no doubt that the handball wasn't intentional but there was no denying the arm was in the air and the ball hit it. Tring captain Gregory Deer stepped up and, despite Max Spence guessing the right way, the ball hit the low roof of the net for a Tring equaliser and to ensure we will be doing it all again on Tuesday night at the Lawtech Stadium.

BARKING FC 1-1 STANWAY ROVERS

Tuesday 30 July 2024 – Essex Senior League – Report by Trevor Gilbert

Barking continued their unbeaten league which was carried over from last season to eleven games by rescuing a deserved point against a resurgent Stanway as a late Izzy Bademosi goal resulted in a 1-1 draw.

Stanway started the game stronger, and it took ten minutes for the first chance of note as a far post corner was just headed over the bar.

Stanway did have the lead two minutes later thanks to former Blue George Okoye – Stanway won the ball from a Barking corner and Okoye broke the line of the remaining defenders before rounding Max Spence and tapping into the net to give the away side the lead. Jerold Cobblah went close shortly after as Barking attempted to reply but his powerful effort was straight at Robinson. Andy Greenslade put an effort over the bar after 25 minutes and then turned provider as his cross was met by Juwon Akintunde but his deft diving header across goal was just wide of the post.

Marcel McDonald saw an effort just creep wide in first half stoppage time but it was Stanway who had the final chance of the first half as a cross was met unmarked in the box and the flicked header seemed destined for the net but Spence was equal to it with a strong hand.

Barking's penchant for clearing the bar continued early in the second half as Akintunde found himself at the penalty spot with the ball thanks to Greenslade but the bouncing ball just stuck under his foot and he struggled to keep the shot down. Stanway were still dangerous thanks to a succession of long throws and direct counter attacking – in fact it was the 70th minute before the next chance of note which fell to Stanway with Spence being equal to a long-range effort. Despite plenty of possession for the Blues it was Stanway with the next chance of note five minutes later as another effort from just outside the box whistled over the bar. Barking seemed to be the big bad wolf attempting to blow the brick house down but with injury time imminent a blocked free kick came back to Sam Edwards – his cross was headed back across goal by Jay Bacon – with Blues players rushing in Robinson did well to clear the immediate danger with a slide tackle but it fell to the feet of Izzy Bademosi on the edge of the box who volleyed the bouncing ball back into the ground and everyone could only watch on as it skidded into the net for an equaliser that was deserved over the course of the match.

There was still time for a final chance in stoppage time for Stanway as a free kick was headed down by again they were denied by a fine save and smother by Spence.

TRING ATHLETIC

THE EARLY YEARS

Tring Athletic Youth FC was formed in March 1958 by a group of local men who contributed towards the purchase of 3.4 acres at Miswell Lane. The cost of providing changing rooms, fencing, equipment and ownership of the ground was approximately 2,000, a lot of money in those days. Committee members, players and friends carried out most of the work, including the building of the changing rooms and during the early days the team had to play on another pitch in Tring. Originally the Club was formed to provide football for youngsters aged under 21 and despite playing against adult teams we won many trophies in the West Herts Saturday League during the early 1960's including the Division 1 title 3 times in 5 years.

THE 70's/80's

We then went through a lean spell and in 1971 decided to scrap the upper age limit and drop youth from our name. Many former players returned and we had another successful period during the early 1970's. Over the years many fine players appeared in our shirts and many went on to play for professional/senior clubs.

In the mid-seventies the Miswell Lane ground was sold to the Council and we had a bad time and but for the efforts of a few loyal members would have certainly folded. The Reserves were disbanded and the First Team dropped down to Division 3. We decided to turn to youth again and gradually forced our way back up through the league and by 1986 we were competing in the Premier Division and running a Reserve side again.

SOUTH MIDLANDS - THE 90's

In 1988 we joined the South Midlands and as a result gained senior status with the Herts FA. In 1989 we entered into a 3-year ground sharing arrangement with Isthmian League side Tring Town moving back to Miswell Lane in 1992 where the Reserves had continued to play. We established ourselves in the South Midlands by gaining promotion to the newly formed Senior Division in 1993. In 1994/95 the First Team reached the final of the Senior Division Cup whilst the Reserves were finalists in the Apsley Junior Cup for the second year running. In 1996/97 we led the Senior Division throughout the season and looked favourites to win the title. However, some unlucky defeats in the last few games saw us drop down to 3rd place. In addition to our impressive league form we also had some terrific cup runs during that season, reaching the semi-final of the Herts Charity Shield and winning the prestigious St. Marys Cup, the first time we had ever achieved such heights. In 1997/98 we just missed out on the Senior Division title by the narrowest of margins to New Bradwell St Peter - a goal difference of just 2! We finished the season in fine style, suffering just 1 defeat in our last 21 league games which included a terrific run of 14 straight wins for which we won a special award from the League. The Reserves went one better by winning their league by a clear 10 points and in doing so achieved 100% success in their league games at home. In 1998/99 we picked up our first major South Midlands trophy when we won the Senior Division Cup. We also won the St Marys Cup for the 2nd time in 3 years. In the league a terrific run of just 1 defeat in our last 28 games saw us finish in 3rd place, 4 points behind champions Holmer Green. During this magnificent run we went 15 hours without conceding a goal. The Reserves also did well finishing 5th in their first season in the top division. The 1999/2000 season proved to be one to remember. During the summer we spent over £50k on building new changing rooms and extending the social and bar area. That meant a total of over 90k had been spent on improving the facilities at Miswell Lane since 1993. To mark the opening of the new changing rooms we played a Watford XI in front of a huge crowd of about 1,000 people. The game was Refereed by Graham Poll and Graham Barber. We also expanded on the playing side with a third team being set up to particularly attract young players, a veterans side for ex-players and a Ladies side. The season turned out to be the most successful in the Club's history. In addition to winning the Senior Division title by 11 points we also reached 5 finals. We won the Herts Charity Shield (beating Potters Bar Town 2-1), Herts Senior Centenary Trophy (Wormley Rovers 2-0) and the Cherry Red Books Trophy in its inaugural year (Bedmond Sports & Social on penalties after a 1-1 draw). We were narrowly beaten 1-0 by Letchworth in the Senior Division Cup and although we also reached the St Marys Cup final it was never played because of the backlog of fixtures. Our achievements were recognised by the South Midlands who awarded us the Houghton Regis Cup for achievements in outside competitions and Mick Eldridge, Ray Brimson and Richard Vincent were voted Managers of the Season. In 60 games in all competitions we lost on only 6 occasions, a remarkable achievement. Our other teams also enjoyed success with the Reserves reaching the Final of the Herts Intermediate Cup and the A Team in their first season finishing runners up in the West Herts Division 3.

TRING ATHLETIC

THE NEW MILLENNIUM

After finishing the old millennium in style, we continued our success into the new one (2000/01) by retaining the Herts Senior Centenary Trophy (again beating Wormley Rovers 2-0) and the Cherry Red Books Trophy (Virginia Water 1-0). The Reserves won the League title and a newly formed B Team claimed the runners-up spot. The following season (2001/02) we won the Herts Charity Shield for the 2nd time beating Letchworth 4-1. The A Team reached the Apsley Junior Cup final and the B Team won the sporting award.

SEASON 2002/03 - More success followed as we capture the Herts Senior Centenary Trophy for the 3rd time, to become the first club to do so. We finished 3rd in the table and won the League Cup for the 2nd time, to make 12 major trophies in 7 years. We were also finalists in the Cherry Red Books Trophy. The A Team finished runners up as did the Under 16's in their first season, the B Team won the sporting award for the 2nd year running and the Ladies had a great run in the Women's FA Cup. For the 3rd year running Darrel Bodimeade won an award for the best playing surface, which is just reward for the tremendous job he does for the club.

SEASON 2003/04 - Following our failure to secure floodlights at Miswell Lane we entered into an historic alliance with Tring Town to play our first and reserve team football in season 2004/05 at Pendley where lights are already in place. The main focus was to be to raise the funds needed to build a new Clubhouse, the previous building burnt down in March 2003. Miswell Lane will be retained and will be used by our A, B, Under 18's and Ladies sides. This new arrangement with Tring Town secured senior level football in the town.

SEASON 2004/05 - New season at a new ground in a new division with fantastic facilities. First team finished 6th in the Premier Division and also won the St Mary's Cup for the 3rd time defeating Hemel Hempstead in the Final. We were also Runners Up in the South Midlands Floodlit Cup Final losing on penalties to Oxhey Jets. Played in the F A Vase for the first time.

SEASON 2005/6 - The Club entered the FA Cup for the 1st time in its history but was defeated in the prelim round. In a disappointing season the highlight was a victory over Watford in the Herts Senior Trophy with a large crowd enjoying a 1-0 win. Defeat in this competition came at the hands of Stevenage Borough of the Conference league.

SEASON 2007/8 - Winners of Herts Charity Shield - We defeated Welwyn Garden City in the final of this County Cup to win the trophy for the 3rd time in our history. Match played at The County Ground, Letchworth. This was the first trophy for the new management team of Manager, Phil Casserley, Assistant, Terry Nightingale and Coach Julian Robinson.

SEASON 2008/9 - Treble Winners - SSMFL Challenge Trophy Winners - Athletic defeated Chalfont St Peter by 3-2 at Harefield United's ground to lift this trophy in their first appearance in the final of this competition. SSMFL Premier Division Cup Winners - Athletic defeated St Margaretsbury by 2-0 at Colney Heath's ground to lift this trophy in their first appearance in the final. St Marys Cup Winners - Athletic defeated Leverstock Green by 2-1 at Hemel Hempstead's ground to lift this trophy for the 4th time.

SEASON 2009/10 - After last season's tremendous cup haul, this year the First Team finished without a trophy however they finished third in the league, the highest position in the Club's history. The Club also received the higher ground grading required should we be in a promotion position, so the foundations have been laid for the future. The managers and players will be hoping to put in a challenge for the title in season 2010/11. The B Team did however win some silverware for the Club when they won the Sir Stanley Rous Challenge Cup at Hemel Hempstead Town's ground.

SEASON 2010/11 - The First team finished in the highest position, runners up to Chalfont St Peter in the SSMFL Premier Division, in their history so far. They also won the St. Mary's Cup for the fifth time, defeating Leverstock Green 2-1 after extra time. The season finished with a 2-0 defeat to Royston Town in the South Midland Floodlight Cup Final.

TRING ATHLETIC

SEASON 2011/12 - Julian Robinson and Tony Armitage took charge in the summer of 2011 knowing that many of last year's successful First Team had departed. A great re-building job was undertaken with a very credible 6th position achieved in the league and defeats by the odd goal in 3 cup semi-finals. A good influx of younger players with a years' experience behind them will hopefully provide the base for a good start to next season. The Reserves also had a good season bleeding a large number of players and again have a young group of players to move forward with. The Ladies had their best ever season winning their league and reaching the County Cup Final for the first time where they were not disgraced when defeated by Arsenal Ladies. Our Youth team also won their league and will play in a floodlit mid-week league next season.

SEASON 2012/13 - Mixed season with the 1st team winning their initial F A Cup tie at Bedfont and then losing in the next round to Ashford Town after a replay, in the F A Vase we lost at first hurdle to FC Romania. In the League we finished just below halfway, lost on penalties to Hadley in the semi-final of the Premier Division Cup and were finalists in the St Mary's Cup losing to local rivals Berkhamsted. Midway through the season Tony Armitage left and Ian Richardson stepped up from the Reserves to assist Julian Robinson. Long serving, Stuart Stedman, was appointed coach to assist Colin Phillips with the Reserves who again had an excellent year bringing many players through to the First team. The "A" Team, under Dave Adamson and James Bevan won the West Herts Peace Memorial Cup for the first time in the Club's history. The "B" team and Youth teams were well run whilst unfortunately the Ladies team withdrew from their league through lack of players.

SEASON 2013/14 - The Reserves were promoted to the SFL Premier Division having finished second on goal difference to Royston Town. The Club was also awarded the Dave Pugh Trophy for hospitality shown to officials.

SEASON 2014/15 - The First Team finished 10th in SSMFL fielding a young side, the Reserves found the SFL Premier Division tough but had some great trips to senior clubs and start season 2015-16 in the North Division. The U18's had a tough year but a number of players progressed through to the Reserves and First Team. The U15's also found life tough having gained promotion the previous year. The First team completed their season losing by a single late goal to Hemel Hempstead and gave a credible performance in the Final of the St Mary's Cup in front of a big crowd.

SEASON 2015/16 - The First Team won the St Mary's Cup for the 5th time defeating Sun Sports 2-0 and finished mid-table in the SSMFL Premier Division. The Reserves did the "double by winning the Suburban Football League North Division and also the Challenge Plate Competition defeating Cray Athletic 2-0. The U16's just missed out on winning the league in the final season as a group of players.

SEASON 2016/17 - First team won the St Mary's Cup, were finalists in the Herts Charity Shield, 5th position SSMFL Premier Division and reached the 4th round of the F A Vase. Reserves were finalists in the Suburban Football League Challenge Trophy. "A" Team were Runners Up in the West Herts Premier Division whilst the "B" Team were the Champions of the West Herts Division 2 and also Winners of the Sir Stanley Rous Cup. The U18 had a respectable mid-table finish.

SEASON 2017/18 - The First Team reached the last 16 of the F A Vase for the first time losing unluckily to Melksham Town in front of a crowd of 1,236. The "A" Team set a Club record winning the West Herts Premier League and Cup double and only losing one game that being the final of the Herts Junior Cup.

SEASON 2018/19 - The First Team were Runners Up in SSMFL Premier Division. The Reserves were Suburban Football League Central Division Champions and the "A" Team were Herts Junior Cup Winners and West Herts Senior Cup Finalists.

SEASON 2019/20 - This will go down in history, both in the nation's and the clubs, as a season that was not completed due to a worldwide virus COVID-19. When the season was drawn to an early close the First Team were in second place in the Premier Division and it was also memorable, in so far as, a complete team, management and players, departed and a new Committee was formed following an Extraordinary Meeting in February 2020.
